Saturday Schedule of Nets	Saturday, 4:30pm Eastern Time, 9:30pm UK Time	Please see Note 1, below.	Keep an eye on our Facebook page for details of each Saturday net.

Note 1 – Connections for nets accessible only to licensed operators:

- Teamspeak 3 - KB1 MULTIMODE LINKS KC1MUV
- Zello - ZMR 851.900 and KB1 Channel
- Allstar - Node 552360
- Echolink - KC1MUV-L, node number 663242
- DMR (TGIF) - Talkgroup 31320
- DMR (Quadnet) – Talkgroup 31320
- IRN DMR Master Server on PiStar - FD_US_IRN - Talk Group 31320 for IRN (slots 1 & 2)
- Yaesu YSF Reflector - YSF31320 - USIRN
- The Peanut (by PA7LIM) - TGF31320 - KC1MUV

These nets are accessible only to licensed operators, as it is a multimode net that connects to licensed only platforms and RF. We have a permanent connection with the Extended Freedom Network so you can also use any of their links to connect with the IRN.

Note 2 – Connections for nets open to everyone:

- ‘International Radio Network Channel’ and ‘ZMR 851.065’ on Zello
- ‘IRN QSO and Nets Channel’ on TeamSpeak 3.

These nets are open to all licensed and unlicensed operators.

Note 3 – Other nets

This schedule includes only those nets operated by the IRN on its channels. You will hear other nets on the IRN channels, run by the Extended Freedom Network, the Republic of Avalon Radio, and others. All IRN members are welcome to join any net heard on the IRN channels, subject to the rules of the net. For example, the Republic of Avalon Radio group holds a weekly XYL net for ladies only.
